Dear Friends,

It's hard to believe that Normandi and I were able to accomplish our goal, yet we are proud to announce that the first draft of our new book was sent to the publishers yesterday! We are by no means finished, as there are many components yet to be added, and we are looking forward to completing those while we are in Egypt throughout the month of November. If you wrote or have written a hymn to a god or goddess of Egypt during one of our classes, please let us know, as some of our collection does not give the author's name. Also, if you have a special hymn or invocation, we might be able to publish your work if you send it right away and they let us add it.

A few weeks ago, Normandi and I completed a wonderfully potent Egyptian Mysteries Retreat which paved the way for the completion of our book. Pictures are worth a thousand words, so hopefully these will give you a taste.

While Normandi was here, we did an interview together with Rob McConnell on X-Zone Radio; what a hoot! Rob was a skeptic at first, but then—well, **have a listen for yourself...**

There is another interview coming out next week that is part of the **Awakening Consciousness Telesummit with Margaret Ann Lembo**. I will be offering a special 2-day class on Healing Our Ancestral Lines with a gift of a link to a recording of Making Spirit Medicine. The Telesummit is October 6-12. Please visit Margaret Ann Lembo's website for more information and to participate.

Other exciting news around the office: Rooster Shannon has just come on board as our new office manager. Rooster is also the artist who designed the headdresses Mark and I wore for my birthday party last year. (Please see her website: **www.RoosterBaby.com**)

Although Brittney will still be available once a week, she has decided to go back to school and I am totally supporting her in that decision. The office will now be open Monday-Thursday 9:30-2pm Pacific Time.

The free **Planetary Calls To Action** are an important part of developing and maintaining spiritual community. With 50% of our Planet's species now considered extinct or endangered, and with 7 billion+ mouths to feed, we must find solutions to the huge variety of challenges that plague us. Please **see the article below** for details on the next Call.

I hope to find the time to reach out to you at least once more before I head off to Egypt in a few weeks, and perhaps even from Egypt. Meanwhile, I wish you an abundant harvest, health and joy throughout this exquisite Autumn season.

*Blessings and Love,
Nicki*

Free Planetary Healing Call to Action - Cancer Healing

October 15th, 6pm PST

With so much craziness on the Planet, we tend to forget some of the plagues that we've been dealing with consistently over the last many decades. Although there are recordings of my phone bridges for healing cancer are available for listening on our [Cancer Phone Bridge Recordings](#) page... I've been requested to do a Call To Action specifically for those who are suffering from cancer as well as those who have loved ones and wish to

support them in this way.

For eight years, our Bridge for Healing Cancer program presented phone bridge rituals conducted by Nicki Scully to heal and transform cancer. We met by telephone for each bridge to practice an Alchemical Healing process during which we join together to create a vessel in the shape of a parabola. From this form, which is similar to a satellite dish, we receive potent healing energies and also transmit cancer cells outward in a safe and effective way. Whether you have cancer or want to assist and support those who are suffering from cancer, you are welcome to join our bridge. The more who are on the Call, the more powerful the healing will be.

We have been practicing this healing process with excellent results since March, 2005. Once you have learned the techniques involved by participating, you can work on your own and tap into the etheric structure we have created as a collective, which retains and grows the power of the initial call.

Spirit of Alaska Cruise: Seminar at Sea

June 12 ~ 19, 2015

Come join Nicki and Mark on an incredible luxury cruise from Seattle up through Alaska's Inside Passage, with some of the most profound speakers, readers, healers, and exhibitors of our time! The theme is shamanism, and Nicki is delighted that some of her old shaman friends will be teaching on this cruise. The Spirit of Alaska Holistic Cruise and Seminar-at-Sea will take place June 12 - 19, 2015 on the luxurious Royal Caribbean Jewel of the Seas, sailing from Seattle to the awe-inspiring glaciers and ports of Alaska. We have just learned that the boat itself is filling rapidly, so if you want to be part of the seminar at sea, DON'T WAIT to sign up or it will be full! Also, don't forget to mention Nicki as your referral when you register so that she can get credit for your presence.

AND, Nicki will be celebrating her birthday on this cruise!! Come join us in celebration of her life and wisdom in one of the most pristine and natural wonderlands!

Egypt with Nicki Scully

October 28th - November 11th, 2015

Although I keep thinking each trip is my last, Egypt still calls to my heart and soul and I know I'm not yet complete there. Next year's Fall trip is already half full and, since the special private boat that we use only takes 18 people, I suggest you let us know if you are interested in joining. For details, [visit my website here](#).

Egypt with Normandi Ellis

Normandi wishes to go in December, 2015, and may be traveling with a very special guest. She will be using the same boat and we will have details up soon. Meanwhile, please [let us know](#) if you are interested in this one.

Egyptian Mysteries Study Group with Indigo

A group of us met last week on the 24th to co-decided the intent and focus of our Egyptian Mysteries Study Group. The consensus was that each time we meet we will work to deepen our understanding of the *Neteru*, the Pantheon of Ancient Egypt as alchemical allies and guides. We will use the Anubis Oracle cards and work with the book *Egyptian Mysteries of Egypt*. Beginning with the the first chapter on October 7th, we will working our way chapter by chapter through the journeys at each gathering. You are welcome to come to every one or dive in occasionally as you can. You do not need the book and cards for our time together, but many want to have them as reference at home. They will be available to purchase when we met if you

are so interested. Also, I will pass a basket for reciprocation for this offering to help support the space and time, \$5-\$15 is appreciated. Please RSVP via email to indigo@sacredwitness.us so I know how many to expect each time and for address.

October 7th, 6 - 8pm as we begin our process together, for this first meeting I invite you to wear all white and come as you envision being the dove. Contemplate what it is to be the innocent one, the beginner. Arrive with an intention for this process, both on this day as well as for the whole of the experience we are embarking upon together.

November 8th, 5-6pm (register for this call by following the link below. This will provide you with a call in number to connect you to me in Egypt.
